

Library During School Closure

Grade 4, 5 & 6

You are all storytellers! This situation that we are all in right now is a part of history and will be a part of our story that we tell to future generations. Remember that time when school was closed for THREE WEEKS!! I thought this was a wonderful time to spring board off of that and use the time with families to hear the stories of our ancestors. Grandparents, Parents, Aunties, Uncles or anyone else that you have available to tell you a story.

During your weeks off I would like you to watch and complete the exercises in the Pixar in a Box from Khan Academy (link is below). It does talk about Monsters Inc. as part of the storytelling portion but it explains how they came up with the idea to create Monsters Inc. ***Spoiler*** it's about the writer becoming a father and how he felt about it!

Please complete all of the activities during your time off. I have created a google classroom for Library for Grade 4, 5 and 6's that you will need to accept my invitation to join. If you cannot get onto the classroom using the invitation please email me and I will send you the join code.

Each activity can be sent with the story telling journal.

You are all Storytellers! I look forward to reading your stories over the next three weeks!

Here is the link for the video tutorials you need to watch and the activities that you need to complete:

<https://www.khanacademy.org/humanities/hass-storytelling/storytelling-pixar-in-a-box/ah-piab-we-are-all-storytellers/v/storytelling-introb>

Stay safe during this time off. I am praying for each and every family and look forward to seeing you all again when school resumes.

God bless,
Mrs. Stone

Library Teacher – Calvin Christian Elementary School.
