

Happy Wednesday, Cool Cats!

You are all doing a **REALLY FANTASTIC JOB** of being **REALLY FANTASTIC!** I continue to be blown away by your eagerness to get work done, as well as your desire to give thoughtful encouragement to your peers through Flipgrid! Speaking of Flipgrid... I hope you're enjoying that new platform as much as I am! It's been great fun to see the hilarious and clever videos you're posting!

I am so excited to share with you the newest Flipgrid Topic that will be rolling out next week.....

T.U.S.C.! So awesome, right?! As you probably already guessed, the way we run T.U.S.C. is going to look a little different than it did when we were all together at school.

Here are a few key changes:

1. Your "jobs" will no longer be assigned. Instead, you get to CHOOSE what role to take on! You can do a job you already did when you were in class, or try a new one!
2. We will not have an official meeting on Flipgrid. Instead, you will post your task when you're done, and watch other people's tasks and respond with positive feedback!
3. Because we are not having official meetings, that also means the **Chairperson**, **Secretary**, and **Time-Keeper** tasks will be omitted.
4. Rather than having T.U.S.C. once a cycle, you will submit one presentation to Flipgrid *every two weeks*. Note: If you'd like to submit more often, feel free to do so!

Of course I know there will be more questions about this, we can discuss during our video conference calls or via email!

In other news... if you have been keeping track of the Weekly To-Do Lists and looking at the Newsletters, you'll know that every week there are other posts you should be adding on Flipgrid. A new one this week is sharing a thought about the *Lit. Circle* book you are reading, and also *responding* to what your peers have shared!
