Calvin Christian School

Mrs. Coyle

We had a great field trip at the Forks this week. Mr. VandeKraats shared with us many pieces of history that happened there. If you and your family go to the Forks in the near future, have your child point out a few of the spots we saw.

## Terry Fox Run

Monday, October 18, we will be participating in a Terry Fox Run. We will have an assembly in the morning to discuss Terry Fox's legacy and having relay runs in the afternoon.

Should your child wish to participate in the fundraising portion of the event, the link is [www.terryfox.ca/CalvinChristian](http://www.terryfox.ca/CalvinChristian). Check out [The Link](#) for goals and more information.

SeeSaw Codes

Your child will have a SeeSaw code in his or her agenda today. These are for use with the SeeSaw Class app. Should your child be away from school for an extended period of time, we will be using this app to send schoolwork back and forth. You can also access newsletters and classroom updates.

## Bible Memory

Memory work due  
Thursday, October 21

He came to that which was his own, but his own did not receive him. Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God

—  
John 1:11-12

Memory work due  
Thursday, October 28

children born not of natural descent, nor of human decision or of a husband's will, but born of God. The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

John 1:13-14

Reminder: Memory work will be cumulative. Students will be asked to recite the previous verses along with the new ones.

Enrichment Memory Work; If your child would like to work towards a "4" grade in Bible memory, there is an additional Scripture passage available: Isaiah 53:2-9. If your child would like to undertake this challenge and would like a printout of the verses, please let me know.

## Can you help at home?

Sometimes, during the course of a week, it is difficult to get everyone's Bible memory work tested. It would be very helpful if some of the students would be able to record their memory work on SeeSaw at home on Wednesday or Thursday. That way, I can check their work without having to meet with each one during the school day. If this is something that will work for your family, use the SeeSaw code coming home today to connect and post to your child's journal. Thanks so much!!

## Social Studies Projects

In class, we will be completing projects on First Peoples in Canada. Students are researching various groups and completing a presentation of their findings. Students may bring supplies from home to use in crafting their displays.
