Happy New Year! I hope you all had a wonderful break and are ready to get back to school work this week. This will be a hybrid learning week with most of you learning from home and a few of you in attendance at school. Regardless of where you are learning, I'm happy to have you back in class!

Bible Memory

Memory work from Psalm 139 due on
Thursday, January 13:

If I rise on the wings of dawn, if I
settle on the far side of the sea,
even there your hand will guide me,
your right hand will hold me fast.

(v. 9-10)

Memory work from Psalm 139 due on
Thursday, January 20:

If I say, "Surely the darkness will
hide me and the light become night
around me," even the darkness
will not be dark to you; the night will
shine like the day, for darkness is as
light to you. (v. 11-12)

**Again, memory work will be cumulative
throughout the term.**

*Enrichment passages are available this term as
well.

They are on the back of the handout sent home
and on our website.

(Hebrews 4:14-16 and 2 Corinthians 5:17-21)

Students were introduced to **T.U.S.C (Totally Unbelievable Speakers Club)** before the Christmas Break. Essentially, T.U.S.C. is a program designed to help students develop their public speaking abilities. All the students are involved, and each one is assigned a role. The meeting is completely run by the students. Preparation for T.U.S.C. takes place at home, so your support is vital! Your children has received a detailed outline of what the expectations are for each "job". This can also be found on our class website.

Our first T.U.S.C meeting will take place Wednesday, January 19. Ideally, we will all be together by then.

Extras:

Skating

Our rink is ready! We will be skating as part of our Phys. Ed. classes. All students will need to have skates and a proper sport helmet (not a bicycle helmet). Students will also be encouraged to try tying their own skates.

Giving Project

As a school, we are undertaking a giving project through World Renew. The idea is that students raise money by helping friends and family with chores or other jobs, then donate the money to buy farm animals, water filters, or medical supplies for people in other countries. Our class has set the goal of purchasing a cow (\$190). This project will continue through January. Please consider helping with this worthwhile project.
