AIR HUGS!

As you (students) know and you (parents) may have heard, I was not able to be at school Wed-Fri this week. I will not be able to be at school this coming week as our family is required to isolate. We are all fine, but rules are rules. I'm not sure who will be teaching the class this week, but I know we have a resilient bunch of students and they will all do well regardless. I will be still be

available on SeeSaw for Bible verses and email for questions. I miss you all already and I can't wait to be back with all as soon as I can be.

Bible Memory

Memory work from Psalm 139 due on **Thursday, January 27:**

For you created my inmost being; you knit me together in my mother's womb.

I praise you because I am fearfully and wonderfully made; your works are wonderful (v. 13-14)

Memory work from Psalm 139 due on **Thursday, February 3:**

My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.

Again, memory work will be cumulative throughout the term.

*Enrichment passages are available this term as well.

They are on the back of the handout sent home and on our website.

Giving Project

Though Level Red and self-isolating has sent our giving project to the background this month, our giving project is still going on through the end of the week. The idea is that students raise money by helping friends and family with chores or other jobs, then donate the money to buy farm animals, water filters, or medical supplies for people in other countries. Our class has set the goal of purchasing a cow (\$190). This project will continue through January. Please consider helping with this worthwhile project. World Renew

In Lit. Circles, we are working on a new unit on Overcoming Adversity. The book choices include: *El Deafo*, *Rules*, *Out of My Mind*, *Fish in a Tree*, *Joey Pigza Swallowed a Key*, *Al Capone Does My Shirts*, *Rain Reign*, and *Inside Out and Back Again*. This is a meaningful unit to help students build empathy, celebrate diversity, and learn what it truly means to be an effective community-builder and image-reflector of Christ's abundant and unconditional love.

Science: This week we are starting a Science unit on Matter with Mrs. Bakker.
