# 5A Secret Santa

The students have expressed interest in participating in a Secret Santa gift exchange. They will draw names on Monday and are eager to buy or make a gift for their classmates.

Here are a few guidelines:

- Our price limit is \$10.
- Homemade gifts should be made with care and concern.
- Gifts can be brought to school early to make sure no one forgets on the exchange day.
- We will exchange gifts on December 22. Gifts can be brought to school anytime between December 18 and 20.

Please let me know if spending \$10 is an issue for your family. We will make other arrangements as we do not want anyone to be left out because of financial concerns.

Thanks for helping your child participate in the spirit of giving.

## Collegiate Market

On Monday, December 11, the Gr 4-6 classes will be travelling to the collegiate campus to hear a band performance. While we are there, business students will have shops set up with snacks or items for purchase. If you are willing, you can send money with your child to purchase something from the market. I am including a photo with the flyers of each shop so you are able to see what is available.

More guidelines ( 😊 ):

- This is completely optional. Please do not feel any pressure to send money with your child. You have my permission to say no.
- Please discuss with your child what he or she would like to buy and send only enough money for those items. OR If you want to let your child choose at the time, please discuss a budget or spending limit with them.
- The teachers are suggesting sending no more than \$20.

Thanks for considering this opportunity for our collegiate students.
