Due January 18:

(previous verses) . . . 9 The true light that gives light to everyone was coming into the world. 10 He was in the world, and though the world was made through him, the world did not recognize him. John 1:1-10

Due January 25:

(Previous verses) . . . 11 He came to that which was his own, but his own did not receive him. 12 Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God— John 1:1-12

Visit to Calvin Christian Collegiate Campus

On Tuesday, January 16, we will be heading to our collegiate (Gr. 7-12) campus. You will have already received an email outlining the intention of the visit and some of the activities we will be doing. Students will be introduced to what school life looks like in Gr. 7, connect with a few teachers (including participating in Art and Science activities), enjoy time in the gym and even have a pizza lunch. If you would like more information about our collegiate campus, they will be hosting an open house on **Thursday, January 18** at 7:00 p.m.

Skating

Our rink is ready! We will be skating as part of our Phys. Ed. classes, beginning next week, January 22. All students will need to have skates and a proper sport helmet (not a bicycle helmet). Students will also be encouraged to try tying their own skates.

If students would like to skate during long recess, they can do so beginning this week. Optional skating at long recesses will be on on Days 2 & 5. In order to skate at long recess, students will need to be able to tie their own skates.
